Determination of the Current Fair Value of its Utility Plan and Property and For
Increase in its Rates and Charges Based Thereon
Docket No. W-02113A-13-0118

Docket Control:

Chaparral City Water Company ("CCWC") files this letter to confirm its intention to support and adopt a BMP tariff to address meter repair and replacement. CCWC will support this tariff either through rebuttal testimony or a supplement to Mr. Lenderking's current testimony. CCWC appreciates the helpful discussions with Commission Staff regarding the importance of this BMP in coordination with the Company's meter-related SIB proposal.

Very truly yours,
